LASTING IMPRESSIONS

So much to see. So little time.

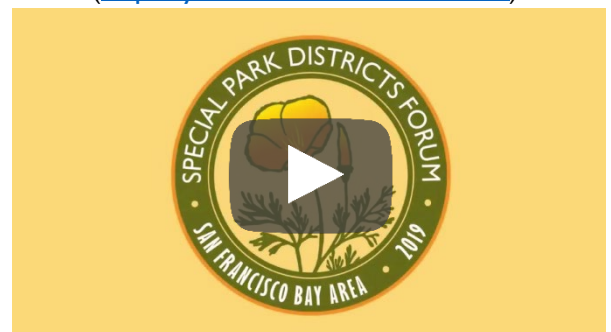

We thank you for traveling to the San Francisco Bay Area to share great experiences in nature together.

On behalf of the Board of Directors, General Managers and staff from both East Bay Regional Park District and Midpeninsula Regional Open Space District, we hope you enjoyed your visit, learned something new, experienced fellowship with other attendees, and brought ideas back to your own park district.

We can't wait for 2020 in the Great Parks of Hamilton County, Ohio, May 17-20, 2020.

COMING SOON: NEW SPDF WEBSITE

While planning for the 2019 event, EBRPD staff found archived correspondence about the creation of the SPDF. In the near future, look for correspondence from us as we roll out a new SPDF website to capture best practices showcased at our annual conferences.
